1. Foreign broadcasts are listened to widely by the Rumanian population. Telephone traffic is sharply reduced during the scheduled times for such broadcasts, and even labor unions are reported to terminate their meetings before these broadcasts.
2. The preferences of Rumanian listeners are the Voice of America, BBC, and Radio Paris, in that order. Rumanian broadcasts of Radio Ankara and Radio Madrid are considered to be too extreme in character.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
Director of Central Intelligence to the
Archivist of the United States.
